LANGUAGES

SPANISH

NATIVE PROFICIENCY

ENGLISH – 2010 – 2022

FULL PROFESSIONAL PROFICIENCY

JAPANESE – 2018 – PRESENT

INTERMEDIATE PROFICIENCY

EXPERIENCE

HOTEL FRONT-DESK – 2022 - 2023

TSUMUGI HOTEL KYOTO

During my stay in Kyoto, I worked part-time in the front-desk of a hotel for 9 months.

My daily routine consisted in receiving the clients, taking their information as well as processing their documents, and answering the phone, among other tasks.

FREELANCER WEB DEVELOPER – 2020 - 2022

FREELANCER

I worked as a freelancer for almost two years, during which I've varied my tech stacks depending on the client needs.

Major accomplishments (among others):

- An E-Commerce built with Laravel, Laravel Blade, and MySQL.
- An E-Commerce built with Next JS, TypeScript, Laravel, and MySQL.
- An installable PWA built with React JS, which is published on the Google's Play Store as a native app.

LAW FIRM ASSISTANT – 2018 - 2020

LAW FIRM OF DR. JUAN PABLO CORVALAN – Buenos Aires, Argentina

I worked for a little more than two years as a assistant in the law firm of my father, Dr. Juan Pablo Corvalan.

My tasks included:

- Completing the templates for lawsuits with customer's data.
- Receiving and presenting official documentation in court.
- Receiving the payments of the clients.
- Filing the documents.
- Perform technical support tasks in the IT area.

EDUCATION

TOEFL IBT EXAM – 2021

TOEFL ETS

Achieving a total score of **95** out of 120 points.

PROGRAMMER ANALYST – 2021 - 2024

UAI – Interamerican Open University

I'm currently halfway through the career of Programmer Analyst, which is a technical career that belongs to the Faculty of Information Technology of the **UAI**.

WEB DEVELOPMENT – 2017 - PRESENT

INDEPENDENT COURSES

Since 2017 I've been taking programming courses related to web, and multiplatform development, be it online or attendance-based, in institutes like **EducacionIT**, Udemy, or **ED.Team**.

EXTRACURRICULAR EDUCATION

STUDY TRIP TO JAPAN – 2022 – 2023

ISI – ISI Language School Kyoto

From April 2022, I stayed in Japan for 1 year in order to study and improve my skills with the Japanese language.

This was a unique experience for me, as I had to get out of my comfort zone and adapt to the new and completely different environment.

JAPANESE LANGUAGE – 2019 - 2021

CUI – University Languages Center, of the University of Buenos Aires

I've been studying Japanese language for 4 years now, reaching an intermediate to high level.

ENGLISH LANGUAGE – 2010 – 2021

CUI – University Languages Center, of the University of Buenos Aires

I have studied the English language since I started the highschool, and I continued practicing and improving it at CUI until September 2021, when I took the TOEFL certification exam, achieving a total score of 95 out of 120 total points.

MY WEB PORTFOLIO

Built using React JS, and a Reactstrap-based template, with NodeJS, and MongoDB as the Back-End.

corvalangonzalo.xyz

MY PERSONAL PROJECTS

PASUNASHI

FEB 2021 – OCT 2021

Built using Laravel and MySQL, and using React, TypeScript, and Material UI for the Web Front-End, and Electron JS for the desktop Front-End.

pasunashi.xyz

NIHONGO APP

JUN 2020 – JAN 2021

A PWA built with React JS, and a Reactstrap-based template.

themrcorvy.github.io/nihongo-app

MEDIA SUITE

MAR 2023 – PRESENT

(still in progress)

Built using Vite and React JS, with TypeScript, Material UI, Unit Testing, and WASM components.

Media-Suite.netlify.app
